Dear [Patient Name],

I am writing to provide you with the results of your recent blood work performed on [Date of Lab Work].

I am pleased to inform you that your laboratory results are unremarkable. This means that all tested levels-including your complete blood count, electrolytes, kidney function, and liver function-fall within the normal expected range. No significant abnormalities were detected.

A copy of your full lab report is enclosed for your personal records. At this time, no follow-up appointments or changes to your current treatment plan are necessary based on these results.

Please continue with your routine health maintenance as scheduled. If you have any specific questions regarding these results or if you are experiencing new symptoms, please contact our office.

Sincerely,

[Provider Name, Title]
