Dear [Patient Name],

We are writing to provide you with the results of your recent Complete Blood Count (CBC) test performed on [Date of Test].

We are pleased to inform you that your results are within the normal range. This test measured several components of your blood, including your red blood cells, white blood cells, and platelets. The normal findings indicate that there are no immediate concerns regarding anemia, infection, or clotting issues based on this specific screen.

A copy of your lab report is attached for your personal records. No follow-up appointment is necessary regarding these specific results unless you are experiencing new or worsening symptoms.

If you have any questions or would like to discuss these results further, please contact our office at [Phone Number].

Sincerely,

[Doctor Name/Provider Name]
