RE: Patient Referral

Patient Name: [Patient Full Name]

Date of Birth: [Patient DOB]

Insurance Provider: [Insurance Name and ID Number]

Dear Dr. [Specialist Last Name],

I am writing to refer [Patient Name] to your care for further evaluation and management regarding abnormal laboratory results discovered during a recent screening on [Date of Blood Work].

Summary of Abnormal Findings:

- [Test Name]: [Result] (Reference Range: [Range])
- [Test Name]: [Result] (Reference Range: [Range])
- [Relevant Clinical Symptoms, if any]

Clinical Concern:

Based on these findings, I am concerned about [Specific Condition or Differential Diagnosis]. I would appreciate your specialist consultation to provide a definitive diagnosis and recommended treatment plan.

Attached Documentation:

Please find the complete laboratory report, recent office visit notes, and current medication list attached to this referral.

Thank you for your assistance with this patient. Please contact my office at [Phone Number] if you require any further information.

Sincerely,

[Doctor Signature]
