Subject: Important Information Regarding Your Recent Blood Work

Dear [Patient Name],

We are writing to inform you that the results of your recent blood tests, performed on [Date of Test], have been reviewed by [Doctor Name].

The results show some values that are outside of the normal range. While this is not necessarily a cause for alarm, it is important that we discuss these findings to determine the next steps in your care.

To ensure your convenience and safety, we have scheduled a telehealth consultation for you:

- **Date:** [Date]
- **Time:** [Time]
- **Platform/Link:** [Insert Link or Instructions]

During this virtual appointment, your provider will explain the results, answer your questions, and discuss any necessary follow-up tests or treatments. You may view your results prior to the appointment via the patient portal at [Link].

If you need to reschedule or have trouble accessing the link, please contact our office at [Phone Number] or reply to this email.

Sincerely,

[Doctor/Practice Name]
