

URGENT: CRITICAL BIOMARKER RESULTS

Date: [Insert Date]

To: [Referring Physician Name]

Facility: [Facility Name]

Fax/Email: [Contact Information]

Patient Name: [Patient Full Name]

Date of Birth: [DOB]

Medical Record Number: [MRN]

Specimen ID: [ID Number]

Dear Dr. [Physician Last Name],

This letter is to formally notify you of critical biomarker test results for the patient identified above. These results have significant implications for the patient's immediate treatment plan and prognosis.

Summary of Findings:

- **Biomarker Tested:** [e.g., EGFR, ALK, PD-L1, HER2]
- **Result Status:** [e.g., Positive, Mutation Detected, High Expression]
- **Specific Variant:** [Details of mutation or expression level]

Clinical Significance:

[Briefly describe the clinical impact, e.g., "This result indicates eligibility for targeted therapy with [Drug Name]" or "This finding suggests resistance to standard chemotherapy protocol [Name]."]

Recommended Next Steps:

1. Immediate review of the patient's current medication/protocol.
2. Scheduling a follow-up consultation with the patient within [Timeframe].
3. [Additional Recommendation].

The full pathology and molecular report are attached to this notification. Please confirm receipt of these results by contacting our office at [Phone Number].

Sincerely,

[Your Name/Signature]
