Dear [Patient Name],

We are writing to provide you with the results of your recent routine cholesterol panel (lipid profile) performed on [Date of Test].

Your results are as follows:

- **Total Cholesterol:** [Result] mg/dL
- **LDL (Bad Cholesterol):** [Result] mg/dL
- **HDL (Good Cholesterol):** [Result] mg/dL
- **Triglycerides:** [Result] mg/dL

Interpretation:

[Select one option:]

[Option 1: Your results are within the normal range. No changes to your current routine are necessary. We will continue to monitor these levels at your next annual physical.]

[Option 2: Your results show levels that are outside of the target range. Please schedule a follow-up appointment or call our office to discuss lifestyle changes or potential treatment options.]

Maintaining a healthy diet and regular exercise remains important for cardiovascular health. If you have any questions regarding these findings, please contact our office at [Phone Number].

Sincerely,
