Re: Annual Comprehensive Metabolic Panel (CMP) Results

Dear [Patient Name],

We are writing to provide you with the results of your recent routine Comprehensive Metabolic Panel (CMP) blood test performed on [Date].

Your laboratory results were: **[Normal / Stable / Within Expected Range]**.

This panel evaluates your kidney and liver function, as well as your electrolyte and fluid balance. A summary of your key levels is below:

- Glucose (Blood Sugar): [Result]
- Kidney Function (Creatinine/BUN): [Result]
- Liver Enzymes (ALP/ALT/AST): [Result]
- Electrolytes (Sodium/Potassium/Chloride): [Result]
- Proteins (Albumin/Total Protein): [Result]

[Provider Comments: e.g., Please continue your current medications and healthy lifestyle habits.]

A full copy of your lab report is enclosed for your records. No follow-up appointment is necessary at this time regarding these specific results. We will review them further during your next scheduled visit.

If you have any specific questions or feel unwell, please contact our office at [Phone Number] or via the patient portal.

Sincerely,

[Provider Name/Signature]
