Patient ID: [ID Number]

Subject: Thyroid Function Test Results and Referral to Endocrinology

Dear [Specialist Name or "Endocrinology Department"],

I am referring [Patient Name] for a specialist consultation regarding abnormal thyroid function test results. The patient was recently screened due to symptoms including [List Symptoms, e.g., fatigue, weight changes, cold intolerance].

Recent Laboratory Findings ([Date]):

- **TSH:** [Result] mIU/L (Reference Range: [Range])
- **Free T4:** [Result] ng/dL (Reference Range: [Range])
- **Free T3:** [Result] pg/mL (Reference Range: [Range])
- **Thyroid Antibodies:** [Result, if applicable]

Current Medications:

[List medications or state "None"]

Clinical Assessment:

The results are indicative of [Primary Hypothyroidism / Hyperthyroidism / Subclinical Disease]. I would appreciate your expert evaluation for definitive diagnosis and a management plan.

All relevant clinical notes and full lab reports are attached to this referral.

Sincerely,

[Doctor Name]
