Dear [Patient Name],

We are writing to provide you with the results of your recent baseline Hemoglobin A1C test conducted on [Date of Test].

Your Result: [Result Percentage]%

The Hemoglobin A1C test measures your average blood sugar levels over the past two to three months. This baseline result is used to establish a starting point for monitoring your health.

General Guidelines:

- **Normal:** Below 5.7%
- **Prediabetes:** 5.7% to 6.4%
- **Diabetes:** 6.5% or above

Provider Comments:
