Dear [Patient Name],

We are writing to provide you with the results of your recent blood work conducted on [Date of Test].

Your laboratory tests for vitamin levels, including [List specific vitamins, e.g., Vitamin D, B12, Folate], have returned within the **normal reference range**.

**Summary of Results:**

- Vitamin D: [Result] (Normal Range: [Range])
- Vitamin B12: [Result] (Normal Range: [Range])
- [Additional Vitamin]: [Result] (Normal Range: [Range])

Based on these results, you do not currently show a deficiency in the vitamins tested. No changes to your current supplement routine or diet are required at this time unless otherwise discussed during your last visit.

A full copy of your lab report is attached for your records. If you have any questions regarding these results or if you are experiencing new symptoms, please contact our office to schedule a follow-up appointment.

Sincerely,
