Dear [Patient Name],

We are writing to provide the results of your recent clinical screening conducted on [Date of Test].

Your laboratory tests have returned a **POSITIVE** result for the following:

- [Name of Infection/Condition]

Please do not be alarmed. This condition is treatable, and we are here to assist you with the next steps. It is important that you contact our office or your primary care provider as soon as possible to discuss your treatment plan and prescription options.

To protect your health and the health of others, we recommend the following:

- Schedule a follow-up appointment immediately.
- Abstain from sexual activity until you have completed your treatment.
- Inform any recent sexual partners so they may also seek testing and treatment.

To schedule your follow-up or to speak with a healthcare professional regarding these results, please call us at [Phone Number] and ask to speak with [Department/Nurse Name].

Sincerely,

[Provider Name/Signature]
