URGENT AND CONFIDENTIAL

Date: [Insert Date]

Dear [Patient Name],

This letter is to inform you that your recent laboratory results for your Sexually Transmitted Disease (STD) panel are available and require immediate attention. One or more of your tests have returned a positive result.

It is important that you do not panic, as the conditions identified are treatable. However, to ensure your health and to prevent the further spread of infection, you must begin treatment as soon as possible.

Next Steps:

- Contact our office immediately at [Insert Phone Number] to schedule a follow-up appointment.
- Refrain from all sexual activity until you have been evaluated and treated by a healthcare provider.
- Notify any recent sexual partners so they may also seek testing and treatment.

Our clinical staff is ready to discuss your results, provide the necessary prescriptions, and answer any questions you may have in a private and supportive environment.

Please call us today to finalize your care plan.

Sincerely,
