Subject: ACTION REQUIRED: Your Laboratory Test Results

Dear [Patient Name],

We are writing to inform you that your recent screening for sexually transmitted diseases (STDs) has returned a positive result for [Name of Infection].

Please do not be alarmed, as this condition is treatable. However, it is important that you take the following actions immediately:

- **Schedule a Follow-Up:** Call our office at [Phone Number] or use our online portal to book an appointment for treatment and a consultation.
- **Prescription:** A prescription for [Medication Name, if applicable] has been sent to your pharmacy at [Pharmacy Name]. Please begin taking this as directed.
- **Partner Notification:** It is necessary to inform any recent sexual partners so they can also seek testing and treatment.
- **Abstain from Activity:** To prevent reinfection or spreading the infection, please refrain from sexual contact until you and your partner(s) have completed the full course of treatment.

If you have any questions or concerns, please contact us directly at [Phone Number]. Our team is here to support you and ensure you receive the necessary care.

Sincerely,

[Provider Name/Clinic Name]
