RE: Confidential Laboratory Test Results

Dear [Patient Name],

This letter is to inform you that your recent laboratory test results for [Type of Test, e.g., Chlamydia/Gonorrhea] have returned with a positive result.

It is important that you contact our clinic as soon as possible to discuss these results and begin the necessary treatment. Most sexually transmitted infections are easily curable or manageable with the correct medication. Delaying treatment can lead to further health complications and the risk of passing the infection to others.

Please take the following steps immediately:

- Call our office at [Phone Number] to schedule a follow-up appointment or to receive your prescription.
- Abstain from sexual contact until you have completed your treatment.
- Notify your recent sexual partners so that they may also seek testing and treatment.

Your privacy is important to us. This information is kept strictly confidential in accordance with healthcare privacy laws.

We look forward to hearing from you soon to ensure your health and well-being.

Sincerely,

[Provider Name/Clinic Staff]
