Subject: Important Information Regarding Your Recent Lab Results

Dear [Patient Name],

This letter is to inform you that your recent laboratory results from your STD panel are now available. Unfortunately, one or more of your tests have returned a positive result for [Insert Name of Infection, e.g., Chlamydia].

It is important to remember that most sexually transmitted infections are easily treatable with the correct medication. To ensure your health and prevent the spread of infection, please follow these next steps:

- **Schedule a Follow-Up:** Contact our office at [Phone Number] or book an appointment online to discuss your treatment plan and receive a prescription.
- **Notify Partners:** Please inform any recent sexual partners so they can be tested and treated as well.
- **Abstain from Contact:** Avoid sexual activity until you have completed your full course of treatment and have been cleared by a healthcare provider.

We are here to support you and answer any questions you may have regarding these results. Your privacy is our priority, and all medical information remains strictly confidential.

Sincerely,

[Doctor or Clinic Name]
