Subject: Consultation Request Regarding Recent STD Test Results

Dear [Doctor's Name],

I am writing to formally request a consultation to discuss my recent STD panel results. I have received a positive result for [Name of Infection/Condition, e.g., Chlamydia].

I would like to schedule an appointment as soon as possible to discuss the following:

- Explanation of the test results.
- Recommended treatment plan and prescriptions.
- Follow-up testing requirements.
- Guidance on partner notification and preventative measures.

I have attached a copy of my laboratory report for your review. Please let me know your earliest availability for an in-person or telehealth appointment.

Thank you for your time and assistance.

Sincerely,
