Subject: Important Information Regarding Your Recent Laboratory Results

Dear [Patient Name],

We are writing to inform you that your recent laboratory tests have returned a positive result for [Name of STI/STD].

It is important that you contact our office as soon as possible to discuss these results and begin the necessary treatment. Most infections are easily cured with medication, but prompt treatment is essential to prevent complications and avoid spreading the infection to others.

Next Steps:

- Call us at [Phone Number] to schedule a follow-up appointment or to have a prescription sent to your pharmacy.
- Refrain from all sexual activity until you have completed your full course of treatment.
- Inform your recent sexual partners so that they may also be tested and treated.

Your health and privacy are our top priorities. All information regarding your results and treatment remains strictly confidential.

We look forward to hearing from you soon.

Sincerely,

[Provider Name/Clinic Staff]
