Dear [Patient Name],

We are writing to provide you with the results of your recent urinalysis performed on [Date of Collection].

Your laboratory test results are within the **normal range**. These results indicate no signs of infection, blood, or other abnormalities in your urine sample at this time.

No further action or follow-up is required regarding this specific test unless you are experiencing new or worsening symptoms. If you have any questions or would like to discuss these results further, please contact our office at [Phone Number] or through the patient portal.

Best regards,
