Dear [Patient Name],

We are contacting you regarding the results of your recent urinalysis conducted on [Date of Test].

Your laboratory findings indicate significant abnormalities that require immediate medical attention. It is important that you discuss these results with a healthcare provider as soon as possible to determine the necessary follow-up care or treatment.

### **Please take the following actions immediately:**

- Call our office at [Phone Number] during business hours to schedule an urgent appointment.
- If you are calling after hours, please ask to speak with the physician on call.
- If you experience severe pain, high fever, or inability to urinate, please go to the nearest Emergency Room immediately.

Our office hours are [Insert Hours]. When you call, please inform the receptionist that you are responding to an "Urgent Lab Result Notification."

Your health is our priority, and we look forward to hearing from you immediately.

Sincerely,

[Doctor/Provider Name]
