[Patient Address]

[City, State, Zip Code]

Dear [Patient Name],

We are contacting you regarding the results of your recent urinalysis conducted on [Date of Test].

The laboratory findings indicate a [Type of Infection/Condition, e.g., urinary tract infection]. Based on these results, [Doctor Name] has prescribed a medication to treat this condition.

**Prescription Details:**

- **Medication:** [Name of Medication]
- **Dosage:** [Dosage Instructions]
- **Duration:** [Number of Days to Take Medication]

Please find the physical prescription enclosed with this letter. [OR: Your prescription has been sent electronically to your pharmacy: Name of Pharmacy].

It is important that you complete the entire course of the medication, even if your symptoms improve before you finish it. Please drink plenty of fluids while taking this treatment.

If you experience any side effects, or if your symptoms do not improve after [Number] days of treatment, please call our office at [Phone Number].

Sincerely,

[Doctor/Provider Name]
