

[Date]

[Patient Name]

[Patient Address]

[City, State, Zip Code]

Dear [Patient Name],

We are writing to inform you of the results of your recent Pap smear performed on [Date of Procedure].

The results of your test are **Normal**. This means that no abnormal cells were found in your sample.

While this is excellent news, it is important to continue with regular screenings to maintain your health. Based on current medical guidelines, your next follow-up appointment is recommended in:

[Number of years, e.g., 3 or 5] years

If you experience any new symptoms such as unusual bleeding, pelvic pain, or discharge before your next scheduled visit, please contact our office to schedule an appointment.

Thank you for choosing us for your healthcare needs.

Sincerely,

[Provider Name/Clinic Name]
