

Dear [Patient Name],

We are writing to inform you that your recent Pap smear results are normal.

Test Results: Normal / Negative for Intraepithelial Lesion or Malignancy

A normal result means that no abnormal cells were found during your screening. No immediate follow-up or treatment is required at this time.

Based on current medical guidelines, we recommend your next routine screening in [Number] years, unless you experience new symptoms or your provider advises otherwise.

You can view your full lab report in the "Results" section of this portal. If you have any specific questions regarding these results, please send a message to your care team or call our office at [Phone Number].

Sincerely,

[Provider Name/Clinic Name]
