Subject: Results of Your Breast Screening

Dear [Patient Name],

Thank you for attending your recent breast screening appointment on [Date of Exam].

We are pleased to inform you that your mammogram results are **normal**. The radiologist has reviewed your images and found no signs of breast cancer or significant abnormalities at this time.

Next Steps:

- You will be invited for your next routine screening in [Number] years.
- Continue to be breast aware. If you notice any unusual changes, such as a lump, skin changes, or nipple discharge, please contact your primary care physician immediately, even if your screening was normal.

A copy of these results has been sent to your primary healthcare provider.

If you have any questions regarding this letter, please contact our office at [Phone Number].

Sincerely,
