Dear [Patient Name],

I am writing to inform you of the results of your recent clinical breast examination performed on [Date of Exam].

The findings of your exam were **normal**. No lumps, skin changes, or other abnormalities were detected at this time.

While this is excellent news, please continue to follow these health guidelines:

- Perform regular breast self-awareness and report any new changes to our office immediately.
- Schedule your next routine screening mammogram as previously recommended.
- Follow up for your next annual physical exam in [Number] months.

If you have any questions regarding these results, please contact our office at [Phone Number].

Sincerely,

[Provider Name]
