RE: Biopsy Results for [Patient Name]

Dear [Patient Name],

We are writing to provide you with the results of the biopsy performed on [Date of Procedure] regarding the tissue sample taken from [Location on Body].

The pathology report indicates that the cells in the sample are malignant (cancerous). We understand that receiving this news is difficult, and we want to ensure you have a clear plan for the next steps in your care.

We have already scheduled a follow-up appointment for you to discuss these results in detail, review treatment options, and answer any questions you may have. Your appointment is scheduled as follows:

Date: [Appointment Date]
Time: [Appointment Time]
Location: [Office Location/Room Number]

We encourage you to bring a family member or friend to this appointment for support. You may also find it helpful to write down any questions you have in advance.

If you need to reschedule this appointment or if you have urgent concerns before we meet, please contact our office directly at [Phone Number].

Sincerely,

[Physician Name]
