Dear [Patient Name],

I am writing to follow up on the results of your recent biopsy performed on [Date of Procedure].

The pathology report indicates some abnormal findings that require further discussion and a follow-up plan. While these results provide us with important information, it is necessary for us to meet in person to review the details, answer your questions, and determine the next steps in your care.

Please contact our office at [Phone Number] as soon as possible to schedule a follow-up appointment. If you have already scheduled this visit, please consider this a reminder.

We recommend that you bring a family member or friend to this appointment for support and to help take notes during our discussion.

We look forward to speaking with you soon.

Sincerely,

[Doctor's Signature]
