

Subject: Results of Your Recent Biopsy

Dear [Patient Name],

We are writing to provide you with the results of your recent biopsy performed on [Date] at [Location/Clinic Name].

The pathology report indicates that the tissue sample is **normal**. No signs of malignancy, infection, or significant abnormality were found in the area sampled.

**Next Steps:**

- No further action is required regarding this specific biopsy at this time.
- Please continue with your regularly scheduled follow-up appointment on [Date/Time].
- Continue to monitor the area and contact us if you notice any new changes, increased pain, or redness.

If you have additional questions or would like to discuss these results in more detail, please contact our office at [Phone Number] or message us through the patient portal.

Sincerely,

[Physician Name]
