

[Date]

[Patient Name]

[Patient Address]

[City, State, Zip Code]

Dear [Patient Name],

We are writing to provide you with the results of the skin biopsy performed on [Date of Procedure] at the site of your [Location of Biopsy, e.g., left forearm].

Results:

The pathology report shows that the sample is **benign** (non-cancerous). The specific diagnosis is [Insert Diagnosis, e.g., a benign mole / seborrheic keratosis / dermatofibroma].

Follow-up Instructions:

- No further treatment or surgery is required for this site at this time.
- Please continue to monitor the area. If you notice any new changes, such as rapid growth, bleeding, or itching, please contact our office.
- Keep your next regularly scheduled skin exam on [Date of next appointment, if applicable].

If you have any questions regarding these results, please call our office at [Office Phone Number].

Sincerely,

[Provider Name/Signature]
