

[Date]

[Patient Name]

[Patient Address]

[City, State, Zip Code]

Dear [Patient Name],

We are writing to inform you of the results of your recent Pap smear performed on [Date of Procedure].

**Result: Normal (Negative for Intraepithelial Lesion or Malignancy)**

This means that your test results were within normal limits. No abnormal cells were found at this time.

Unless you experience any new symptoms or concerns, we recommend your next routine screening in [Number] years, as per current medical guidelines.

If you have any questions regarding these results, please contact our office at [Phone Number].

Sincerely,

[Provider Name/Clinic Name]
