Dear [Patient Name],

We are writing to inform you that the results of your recent biopsy/procedure performed on [Date] are now available. The pathology report has confirmed the presence of malignant (cancerous) cells.

We understand that receiving this news is difficult. It is important to remember that this result is the first step in creating a personalized treatment plan for you. Your case requires a detailed discussion regarding the specific characteristics of the findings and the next steps in your care.

We have scheduled a follow-up appointment for you to discuss these results in person:

**Date:** [Appointment Date]

**Time:** [Appointment Time]

**Location:** [Clinic Name/Department]

During this visit, we will review the pathology report, discuss treatment options, and answer any questions you or your family may have. We encourage you to bring a family member or friend to this appointment for support.

If you need to reschedule or if you have urgent questions before your appointment, please contact our office directly at [Phone Number].

Sincerely,

[Physician Name]
