Dear [Patient Name],

I am writing to personally follow up regarding the results of your recent biopsy performed on [Date of Procedure].

The pathology report from the laboratory has returned and indicates a diagnosis of [Insert Specific Type of Malignancy/Cancer].

I understand that receiving this news is difficult. Please be assured that we have already begun the process of coordinating your next steps. Our team is dedicated to providing you with the necessary care, support, and specialized treatment options available for this diagnosis.

Next Steps:

- An appointment has been scheduled for you to discuss these results in detail on [Date] at [Time].
- We will discuss treatment pathways, which may include referrals to [Oncology/Surgery/Specialists].
- You are encouraged to bring a family member or trusted friend to this appointment for support.

If you have urgent questions before our scheduled appointment, please contact my office directly at [Phone Number].

Sincerely,

[Doctor Name, MD]
