

Subject: Discussion of Recent Pathology Results and Treatment Planning

Dear [Patient Name],

I am writing to follow up regarding the results of your recent biopsy/procedure performed on [Date].

The pathology report has confirmed a diagnosis of [Type of Malignancy]. I understand that receiving this news is difficult, and I want to assure you that our team is committed to providing you with the best possible care and support.

To ensure we move forward with the most effective approach, we need to meet to discuss your personalized treatment plan. During this appointment, we will review:

- The details of your diagnosis and staging.
- Available treatment options (such as surgery, chemotherapy, radiation, or targeted therapy).
- The goals, benefits, and potential side effects of each option.
- Next steps for further testing or specialist referrals.

Your appointment has been scheduled for:

Date: [Date]

Time: [Time]

Location: [Clinic/Hospital Name]

We encourage you to bring a family member or friend for support, as well as a list of any questions you may have. If you need to reschedule or if you have urgent questions before our meeting, please contact my office at [Phone Number].

Sincerely,

[Doctor Name]
