Dear [Patient Name],

We are writing to inform you that we have received the results of your recent X-ray performed on [Date of X-ray] at [Facility Name].

The radiologist's report indicates some findings that require further review and follow-up. While these results do not necessarily mean there is a serious problem, it is important that we discuss the findings and determine the next steps in your care.

We would like to schedule a follow-up appointment to go over the details of the report with you. Please call our office at [Phone Number] at your earliest convenience to arrange a time to meet with [Doctor's Name].

If you have already scheduled a follow-up visit, please keep that appointment as planned.

Sincerely,

[Doctor's Name/Signature]
