

[Date]

[Patient Name]

[Patient Address]

[City, State, Zip Code]

Dear [Patient Name],

This letter is to inform you of the results of your recent routine screening X-ray performed on [Date of Service] at [Facility Name].

Result Summary: [Normal / No Significant Findings]

The radiologist has reviewed your images and found no significant abnormalities or areas of concern at this time. No further action or follow-up imaging is required regarding this specific screening.

Please note that this screening is part of your preventative healthcare. We recommend that you continue with your regularly scheduled examinations as advised by your primary care provider.

A full copy of the radiology report has been sent to your referring physician, [Physician Name]. You may also access your full report via the [Patient Portal Name].

If you have any specific questions regarding these results, please contact your primary healthcare provider's office.

Sincerely,

[Doctor or Department Name]
