Dear [Patient Name],

We are writing to provide you with the results of your recent MRI scan performed on [Date of Scan] at [Facility Name].

The radiologist has reviewed your images, and the results are **normal**. The scan did not show any significant abnormalities or findings that require immediate medical intervention.

While these results are encouraging, it is important to correlate them with your clinical symptoms. Your healthcare provider will review these findings in the context of your overall health during your next scheduled appointment.

If you have any questions or if your symptoms persist or worsen, please contact our office at [Phone Number] to discuss the next steps in your care.

Sincerely,

[Doctor Name/Practice Name]
