Dear [Patient Name],

We are writing to inform you that the results of your recent CT scan of the [Body Part] have been reviewed.

The radiologist has interpreted the images, and we are pleased to inform you that the results are **normal**. No significant abnormalities or areas of concern were identified during this examination.

A copy of the full imaging report has been placed in your permanent medical record. If you have access to our online patient portal, you may also view the detailed report there.

While these results are encouraging, please continue to follow any other treatment plans or follow-up appointments previously scheduled. If you experience new or worsening symptoms, please contact our office immediately.

If you have any questions regarding these results, please call us at [Phone Number].

Sincerely,

[Doctor Name/Provider Name]
