Subject: Routine Electrocardiogram (ECG/EKG) Screening Results

Dear [Patient Name],

We are writing to provide you with the results of your recent routine electrocardiogram (ECG) performed on [Date of Test].

The results of your screening are as follows:

[ ] Normal: Your ECG shows a normal heart rate and rhythm. No further action or follow-up is required at this time based on this screening.

[ ] Borderline/Minor Variation: Your ECG shows a slight variation that is often considered normal. We will review these results with you during your next scheduled appointment.

[ ] Follow-up Required: Your ECG shows findings that require further discussion or additional testing. Please contact our office at [Phone Number] to schedule a follow-up appointment with [Doctor Name].

Please note that an ECG is a snapshot of your heart's electrical activity at a specific moment. If you experience new symptoms such as chest pain, shortness of breath, palpitations, or fainting, please contact your healthcare provider immediately or seek emergency care.

If you have any questions regarding these results, please call us at [Phone Number].

Sincerely,

[Doctor Name/Clinic Name]
