RE: Echocardiogram Results

Dear [Patient Name],

We are writing to provide you with the results of your recent echocardiogram (ultrasound of the heart) performed on [Date of Test].

We are pleased to inform you that your test results are **normal**. The imaging shows that your heart chambers are of normal size, your heart valves are functioning properly, and your heart muscle is pumping blood effectively.

No further action or follow-up appointments are required regarding this specific test at this time. We will continue to monitor your cardiovascular health during your regularly scheduled visits.

A copy of this report has been added to your permanent medical record. If you have any specific questions regarding these results, please feel free to contact our office at [Phone Number].

Sincerely,

[Doctor Name/Provider Name]
