

[Date]

[Patient Name]

[Patient Address]

[City, State, Zip Code]

Dear [Patient Name],

This letter is to provide you with a summary of your recent routine echocardiogram (ultrasound of the heart) performed on [Date of Test].

Test Results:

- **Left Ventricular Function:** [Normal / Mildly Reduced / Moderately Reduced]
- **Ejection Fraction (EF):** [Percentage]%
- **Heart Valves:** [Normal / See Comments]
- **Chamber Size:** [Normal / Enlarged]

Clinical Summary:

[Insert brief summary, e.g., The results show that your heart muscle is pumping well and the valves are functioning within normal limits. No significant changes were noted compared to your previous study.]

Recommendations:

[Insert next steps, e.g., Continue current medications and follow up as scheduled in six months.]

If you have any questions regarding these results, please contact our office at [Phone Number] or schedule an appointment through the patient portal.

Sincerely,

[Doctor's Name]
