RE: Follow-Up Ultrasound Results

Dear [Patient Name],

We are writing to provide you with the results of your follow-up prenatal ultrasound performed on [Date of Ultrasound].

The results of this ultrasound show: [Insert Result Summary: e.g., normal growth, resolved finding, or stable measurements].

Next Steps:

- [Option 1: No further follow-up imaging is required at this time.]
- [Option 2: A repeat ultrasound has been scheduled for (Date/Time).]
- [Option 3: Please schedule your next routine prenatal appointment.]

Your healthcare provider has reviewed these findings. If you have specific questions or would like to discuss these results in more detail, please call our office at [Phone Number] or message us through the patient portal.

We look forward to seeing you at your next visit.

Sincerely,

[Provider Name/Signature]
