Dear [Patient Name],

We are writing to provide you with the results of your recent allergy panel testing conducted on [Date of Test].

Your results indicate a positive reaction to the following allergens:

- [Allergen 1]
- [Allergen 2]
- [Allergen 3]

A positive result means that your immune system showed sensitivity to these specific substances. This may explain the symptoms you have been experiencing.

Next Steps:

- Review the attached detailed lab report.
- Schedule a follow-up appointment to discuss a personalized treatment and management plan.
- Avoid known triggers where possible until we meet to discuss environmental controls or medications.

Please contact our office at [Phone Number] to schedule your follow-up consultation or if you have any immediate questions regarding these results.

Sincerely,

[Provider Name/Signature]
