Re: Hormone Panel Results

Dear [Patient Name],

I am writing to provide you with the results of your recent hormone panel blood work performed on [Date].

I am pleased to inform you that all of your hormone levels are within the normal reference range. This includes your [list specific tests, e.g., Thyroid (TSH), Estrogen, Testosterone, Progesterone, and Cortisol] levels. These results indicate that your endocrine system is currently functioning as expected.

A copy of your full lab report is enclosed for your personal records.

No further action or follow-up appointments are required regarding these specific tests at this time. However, if you continue to experience symptoms or have any additional questions, please contact our office to schedule a consultation.

Sincerely,

[Doctor Signature]
