

Subject: Results of Your Routine Annual Hormone Panel

Dear [Patient Name],

We are writing to provide you with the results of your recent routine annual hormone panel conducted on [Date].

Your laboratory results indicate that your hormone levels are within the normal expected range for your age and health profile. No immediate changes to your current health plan or medications are required at this time.

A full copy of your lab report is attached to this message for your records. We recommend reviewing these results and keeping them for future reference.

If you are experiencing any new symptoms or have specific questions regarding these results, please schedule a follow-up appointment through our patient portal or by calling our office at [Phone Number].

Thank you for staying proactive with your annual health screenings.

Sincerely,

[Provider Name]
