Dear [Patient Name],

I am writing to provide you with the results of your recent post-treatment blood test conducted on [Date of Test].

We monitored the following tumor marker(s): [Name of Marker, e.g., CEA, PSA, CA-125].

Result Summary:

- **Current Level:** [Result Value]
- **Reference Range:** [Normal Range]
- **Previous Level:** [Previous Value from Date]

Clinical Interpretation:

[Insert explanation: e.g., The markers remain within the normal range, indicating a stable condition / The markers show a slight decrease / Further discussion is needed regarding these levels.]

It is important to remember that tumor markers are only one part of your overall follow-up care and are evaluated alongside your physical exams and imaging studies.

Next Steps:

[Insert next steps: e.g., No changes to your current plan / Please schedule a follow-up appointment / Your next lab work is due in 3 months.]

If you have any questions or wish to discuss these results in more detail, please contact our office at [Phone Number] or via the patient portal.

Sincerely,
