Subject: Baseline Tumor Marker Blood Test Results

Dear [Patient Name],

We are writing to provide you with the results of your recent blood work performed on [Date of Test]. These tests were ordered to establish your baseline tumor marker levels.

Test Results:

- **[Marker Name, e.g., CEA]:** [Result Value] (Reference Range: [Range])
- **[Marker Name, e.g., CA 15-3]:** [Result Value] (Reference Range: [Range])
- **[Marker Name, e.g., PSA]:** [Result Value] (Reference Range: [Range])

What These Results Mean:

These initial results serve as a "baseline." This means we will use these numbers as a starting point to compare with future test results. A baseline measurement helps your clinical team monitor your health and track any changes over time.

Next Steps:

[Insert specific instruction: e.g., No immediate action is required / We will repeat these tests in three months / Please schedule a follow-up appointment to discuss these findings].

If you have any questions regarding these results, please contact our office at [Phone Number] or message us through the patient portal.

Sincerely,
