RE: Referral for Specialist Consultation

Patient Name: [Patient Full Name]

Date of Birth: [DOB]

NHS/ID Number: [ID Number]

Dear Dr. [Specialist Last Name],

I am referring this patient for a specialist review regarding abnormal liver function test (LFT) results identified during a recent screening on [Date of Test].

Clinical Findings:

- ALT: [Value] U/L
- AST: [Value] U/L
- ALP: [Value] U/L
- Bilirubin: [Value] mol/L
- Albumin: [Value] g/L

Medical History:

[Brief summary of symptoms, such as jaundice, abdominal pain, or fatigue, and relevant comorbidities].

Current Medications:

[List medications or attach list].

The patient has been advised of these results, and I would appreciate your expert assessment and recommendations for further diagnostic investigations or management.

Thank you for your assistance with this case.

Sincerely,

[Doctor Name]
