Dear [Patient Name],

We are writing to provide you with the results of your recent blood and urine tests performed on [Date of Test] to evaluate your kidney function.

We are pleased to inform you that your results are within the normal range. Specifically:

- **Blood Urea Nitrogen (BUN):** [Result] (Normal)
- **Creatinine:** [Result] (Normal)
- **Glomerular Filtration Rate (eGFR):** [Result] (Normal)

These results indicate that your kidneys are currently filtering waste from your blood effectively. No further action or follow-up is required at this time regarding these specific tests.

A full copy of your lab report is attached for your records. If you have any questions or would like to discuss these results further, please contact our office at [Phone Number].

Sincerely,

[Doctor's Name]
