Dear [Patient Name],

I am writing to provide you with the results of your recent kidney function tests performed on [Date of Test].

Your results include the following key measurements:

- **Creatinine Level:** [Result] mg/dL
- **Estimated Glomerular Filtration Rate (eGFR):** [Result] mL/min/1.73m
- **Blood Urea Nitrogen (BUN):** [Result] mg/dL

Interpretation of Results:

[Insert: These results are within the normal range / These results show a slight deviation from the normal range / These results require further discussion].

Recommended Next Steps:

[Insert: No further action is needed at this time / Please schedule a follow-up appointment within the next two weeks / We would like to repeat these tests on a specific date].

If you have any questions regarding these results or would like to discuss them in more detail, please contact our office at [Phone Number] to speak with a member of our medical team.

Sincerely,

[Doctor Signature/Name]
