

Subject: Important Information Regarding Your Recent Kidney Function Test Results

Dear [Patient Name],

We are writing to provide you with the results of your recent blood work conducted on [Date] to monitor your kidney function.

Your results show [Stable / Improved / A Change in] your kidney function. Based on these results, we have made the following updates to your medication management plan:

- **Current Medication:** [Name of Medication]
- **New Action:** [Continue current dose / Change dose to X / Discontinue use]
- **Reason:** [Brief explanation, e.g., to ensure the medication remains safe and effective for your kidneys]

Next Steps:

[Instructions for follow-up testing or appointments, e.g., Please repeat these tests in 3 months.]

It is important that you do not make any further changes to your prescriptions or start any over-the-counter supplements without consulting our office first.

If you have any questions regarding these results or your medication schedule, please contact us at [Phone Number].

Sincerely,

[Provider Name]
