Dear [Patient Name],

I am writing to provide you with the results of your recent blood work conducted on [Date of Test].

Your laboratory results indicate a deficiency in [**Name of Vitamin/Mineral, e.g., Vitamin D**]. Your level was recorded at [Patient Level], while the optimal range is [Normal Range].

To address this deficiency, I have added a new prescription to your treatment plan:

- **Medication/Supplement:** [Name and Strength]
- **Dosage:** [e.g., One capsule daily]
- **Instructions:** [e.g., Take with food]

A prescription has been sent to your preferred pharmacy, [Pharmacy Name]. Please begin taking this supplement as soon as possible. We will schedule a follow-up blood test in [Number] months to monitor your progress.

If you experience any side effects or have questions regarding this change, please contact our office at [Phone Number].

Sincerely,

[Doctor Name]
